ABOUT NEI AND FOUNDER, DEBORAH PETERS

Deborah Peters, NEI founder and NLP Master Trainer, works internationally with a diverse group of clients; from CEO's and Executive Management Teams of multi-national organizations, governments and private entrepreneurs. NEI's programs address the origin of all thought, emotion and behavior, providing the client with a plethora of resources to master challenges and approach new growth and development far into the future

“The Global Paradigm Shift we find ourselves in is far beyond an economic meltdown, and certainly not something to hunker down and wait out. This is a time of MASSIVE opportunity, and those who stay tuned in to their own Personal & Professional Excellence will hold the key to lead their companies and organizations to sustainability and balance.” ...Deborah Peters

TRAINER'S TRAINING

HOW CAN YOU BENEFIT?

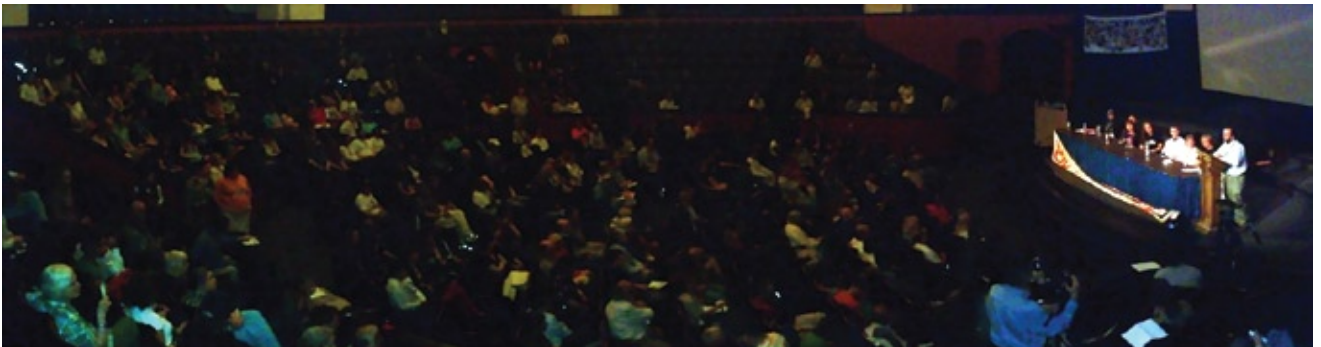

Public Speaking is considered to be the #1 fear for most individuals.

In today's marketplace – your ability to effectively articulate your thoughts, ideas & concepts to an audience – whether large or small, directly affects your bottom line!

Every great Leader, Politician & Public Figure knows the value of being able to move an audience through a meaningful journey! That ability can win you the allegiance of one to tens of thousands.

Corporate presentations, Client proposals, Leadership enrolment or making a living as a Professional Speaker/Trainer/Coach demands you own the skills & tools taught in this training!

How can YOU benefit? Beyond the Professional Advancement? You will become a better human being – with a stronger sense of self – a deeper self worth and a genuine sense of confidence – which in turn inspires others to – be their best as well!

**Being in FRONT of the room, positions you as the
AUTHORITY and gives you CREDIBILITY**
